Our Ministries

LAMPcafé (Catholic Apostolate of Food and Evangelization) is a ministry using a food truck that serves lunches with the message and love of Jesus to those who are hungry/homeless on the streets.

Street Visitations & Holy Cross Fellowship
We visit with homeless persons on the streets of Manhattan to offer conversation, food, & prayer, and to let them know that the Lord cares for their needs and has not forgotten them. We invite them to a Bible Study and Holy Hour at Holy Cross Church in the Times Square area of Manhattan.

LAMP for Life We serve at a crisis pregnancy center, sharing the message of God’s mercy and love to vulnerable pregnant women considering abortion and witnessing the unconditional love and providential care of God.

Nursing Home Visitation We humbly serve persons in hospitals and nursing homes to bring God’s message of hope, love, and compassion. LAMP Missionaries are present to listen to their stories and concerns, pray with, as well as offer the gift of the Eucharist and Scripture reflection.

"The Spirit of the Lord is upon me, because he has anointed me to bring good news to the poor."
Lk 4:18
BROOKE PASKER
LAMP MISSIONARY 2018-2020

"My favorite thing about LAMP is living with the Blessed Sacrament in our chapel and community life. The women with whom I live have shown and taught me the joy, laughter, and forgiveness that are the fruits of a community centered on Jesus Christ."

STEVE PATTERSON
LAMP Missionary 2012-2020

“I love being in a Catholic community where folks are growing, serving and loving God and the materially poor together. It is a unique and powerful dynamic.”

MARTA STANGL
LAMP MISSIONARY 2018-2020

"LAMP has taught me that the materially poor are simply people, people who need friendship, who need someone just to be there to smile at them, to welcome them for who they are, and that Christ works radically in hearts through this simple being together."
